Teachers

This workbook is designed to foster the necessary pre- requisite skills needed for the development of reading.

It is intended to be used on Tuesdays, Wednesdays, Thursdays and Friday during the Language Experience Learning Session after the use of the Reader.

Teachers are advised to write each child's name on the lines provided and allow him/her to trace/copy his/her name and complete the activities. Concepts may be reinforced with the use of other manipulatives after the activity is completed, over the one-year period.

Please refer to the Manual for further instructions.
